WRIT PETITION NO. 2407 OF 2005

Prema Laxmanrao Vanaprati ... Petitioner

Vs.

State of Maharashtra and Ors. ... Respondents

Mr. A.C. Singh with Mr. D.R. Shah for Petitioner.

Mr. A. Sayyad, A.G.P. for Respondents.

CORAM: F.I. REBELLO &
ANOOP V. MOHTA,JJ.
DATED: OCTOBER 07, 2006

P.C.:

. We have considered the order dated 19.3.2005. The authority after considering the evidence on record has come to the conclusion that the suit structure is only one structure and not two separate premises premises and eligible for only one alternate pitch of size 10 feet x 15 feet. It is purely a finding of fact. Nothing has been pointed out to us to show that the said finding is perverse or contrary to the record. In the light of that no interference is called for. Petition dismissed. All interim orders stands vacated.
